

# PRECEPTORSHIP PROGRAMME

## Neuroendocrine Neoplasms

Multidisciplinary management, standards  
of care and future perspectives

**LUGANO**  
SWITZERLAND

**13-14 APRIL 2018**

Co-Chairs Nicola Fazio, IT  
George Pentheroudakis, GR

# ESMO PRECEPTORSHIP PROGRAMME NEUROENDOCRINE NEOPLASMS

Multidisciplinary management, standards of care  
and future perspectives

**Lugano, Switzerland**  
**13-14 April 2018**

---

**CO-CHAIRS:** Nicola Fazio, Italy  
George Pentheroudakis, Greece

**SPEAKERS:** Pier Luigi Filosso, Italy  
Andrea Frilling, United Kingdom  
Rocio Garcia-Carbonero, Spain  
Massimo Milione, Italy  
Marianne Pavel, Germany  
Aviral Singh, Germany  
Anders Sundin, Sweden  
Christos Toumpanakis, United Kingdom

---

## LEARNING OBJECTIVES

- To learn about best clinical practice in the multidisciplinary management of Gastroenteropancreatic (GEP) and lung Neuroendocrine Neoplasms (NEN) patients
- To learn about the biological and clinical principles of diagnostic and therapeutic strategy
- To understand the importance of terminology, pathological and clinical classification, morphological and functional characterization of disease
- To learn how to manage the integration of several different therapies in patients with advanced disease
- To learn how to apply into clinical practice information coming from medical literature, guidelines and recommendations

---

## ACCREDITATION

The programme of this event has been accredited with **10 ESMO-MORA category 1 points**.

Recertification is necessary for medical oncologists to remain professionally certified by ESMO. Recertification guarantees that a certified medical oncologist has continued to update her/his knowledge and continues to possess the necessary skills and standards for the practice of medical oncology. For further details, please refer to [esmo.org](http://esmo.org).

---

## ACKNOWLEDGEMENTS

This event is supported by an unrestricted educational grant from
