Rachel Wuerstlein, Germany

LEARNING OBJECTIVES

- To enable the interdisciplinary discussion and collaboration in the care of patients with breast cancer
- To understand subtype-specific breast cancer management
- To improve the understanding of current radiological and pathological diagnostics
- To learn about the latest developments in neoadjuvant and adjuvant therapies
- To gain insight into the role of complementary and lifestyle interventions and supportive care
- To review approaches to the care of patients with advanced breast cancer
- To learn about specific needs of young patients with breast cancer

ACCREDITATION

The programme of this event has been accredited with **11 ESMO-MORA category 1 points**.

Recertification is necessary for medical oncologists to remain professionally certified by ESMO. Recertification guarantees that a certified medical oncologist has continued to update his/her knowledge and continues to possess the necessary skills and standards for the practice of medical oncology. For further details please refer to esmo.org.

ACKNOWLEDGEMENTS

This event is supported by an unrestricted educational grant from
